interpersonal communication 4e help students to see how communication not only affects their relationships but also influences their health happiness and quality of life it encourages students to go beyond commonsense notions about communication and help them see the value

of investigating interpersonal processes both face to face and online in a systematic way

with a research based skills focused approach to the introduction to communication course communication matters debunks the often held belief that good communication is based on personal instincts taking research and relevance a step further communication matters helps students think critically about the communication they take part in every day

kory floyd s approach to interpersonal communication stems from his research on the positive impact of communication on our health and well being interpersonal communication 2e demonstrates how effective interpersonal communication can make students lives better with careful consideration given to the impact of computer mediated communication the program reflects the rapid changes of the modern world in which today s students live and interact the program also helps students understand and build interpersonal skills and choices for their academic personal and professional lives connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it so that your class time is more engaging and effective

students preparing to succeed in today s workplace require solid training in communication skills and principles as well as experience applying them in realistic professional contexts kory floyd and peter cardon bring substantial and concrete business world experience to bear in the text s principles examples and activities and ensure that the theories concepts and skills most relevant to the communication discipline are fully represented and engaged the result is a program that speaks student s language and helps them understand and apply communication skills in their personal and professional lives occurring in every chapter a feature called people first presents students with realistic scenarios that are sensitive discomforting or tricky to manage it then teaches students how to navigate those situations effectively this gives students concrete skills for preserving relationships with others as they encounter these difficult conversations unique to the market this text includes a dedicated chapter focused on perspective taking covering the processes of person perception common perceptual errors the self serving bias and the fundamental attribution error the self concept and the processes of image management this equips students to understand and pay attention to the perspectives of others also unique to the market this text includes a dedicated chapter focused on career communication this encourages students to engage in networking and to consider the priorities and points of view of others as they seek employment and interact professionally

drawing upon his own highly contemporary research on affection in relationships and on the interplay of communication physiology and health kory floyd has crafted a down to earth 21st century perspective on the complex and nuanced enterprise that is interpersonal communication to reflect the experiences and expectations of today s multidimensional student population interpersonal communication the whole story addresses a broader range of interpersonal communication contexts than any other book of its kind by incorporating dark side ipc throughout the text and by including deeply diverse populations in its research based and everyday examples floyd describes this as telling the whole story if not a more accurate one rather than telling just the part that relates to mainstream populations throughout the text floyd encourages students to go beyond their intuitive notions about interpersonal communication and helps them see the value in investigating relational processes systematically

kory floyd s approach to interpersonal communication stems from his research on the positive impact of communication on our health and well being interpersonal communication 2e demonstrates how effective interpersonal communication can make students lives better with careful consideration given to the impact of computer mediated communication the program reflects the rapid changes of the modern world in which today s students live and interact the program also helps students understand and build interpersonal skills and choices for their academic personal and professional lives connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it so that your class time is more engaging and effective

interpersonal communication 4e help students to see how communication not only affects their relationships but also influences their health happiness and quality of life it encourages students to go beyond commonsense notions about communication and help them see the value of investigating interpersonal processes both face to face and online in a systematic way

widening the family circle new research on family communication second edition continues to address historically under studied family relationships such as those involving grandparents in laws cousins stepfamilies and adoptive parents in this engaging text editors kory floyd and mark t morman bring together a diverse collection of empirical studies theoretic essays and critical reviews of literature on communication to constitute a stronger more complete understanding of communication within the family

kory floyd s approach to interpersonal communication stems from his research on the positive impact of communication on our health and well

being interpersonal communication 2e demonstrates how effective interpersonal communication can make students lives better with careful consideration given to the impact of computer mediated communication the program reflects the rapid changes of the modern world in which today s students live and interact the program also helps students understand and build interpersonal skills and choices for their academic personal and professional lives

chapters begin by presenting students with a narrative of a communication problem or dilemma and then conclude by resolving that dilemma by referencing the principles throughout the chapter each chapter is illustrated with rich examples of real business communicators which bring the principles to life for students this interactive approach allows students to actively engage with the content instead of passively reading it students preparing to succeed in today s workplace require solid training in communication skills and principles as well as experience applying them in realistic professional contexts kory floyd and peter cordon bring substantial and concrete business world experience to bear in the product s principles examples and activities and ensure that the theories concepts and skills most relevant to the communication discipline are fully represented and engaged the result is a program that speaks students language and helps them understand and apply communication skills in their personal and professional lives

reviews and critiques empirical research on affectionate communication in close relationships and offers questions for future study

a guide intended to help readers become less lonely
